Mr. John L. Johnson
Mr. & Mrs. Kenny Anderson

The making of the annual could not have come about had it not been for our illustrious leader, Mrs. Lesher. We especially want to thank her for her patience and guidance.

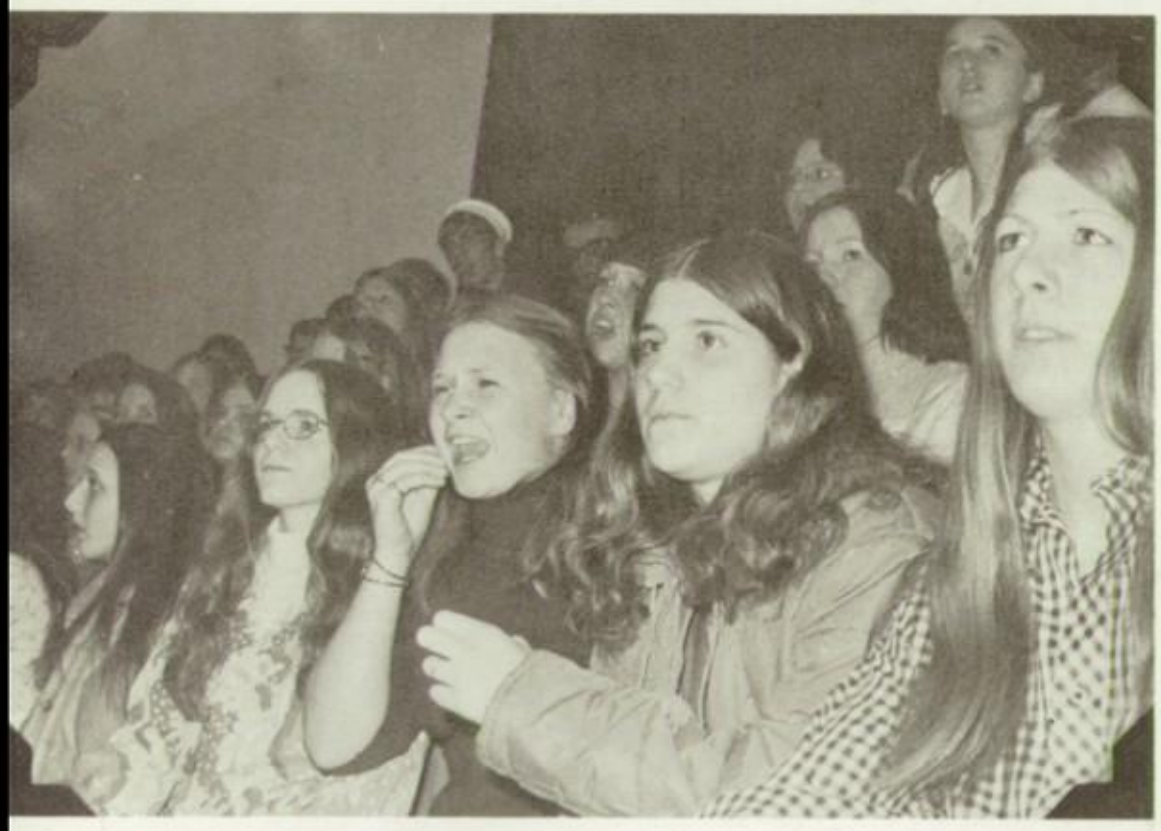
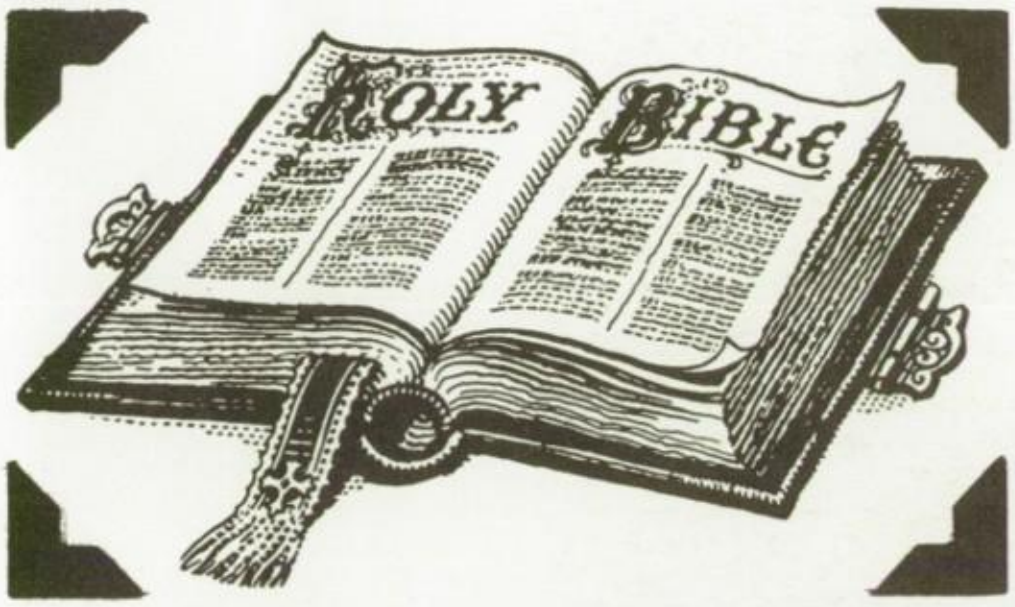
It was
the best
of times.



It was the
worst of times.

It was
the age
of
foolishness.

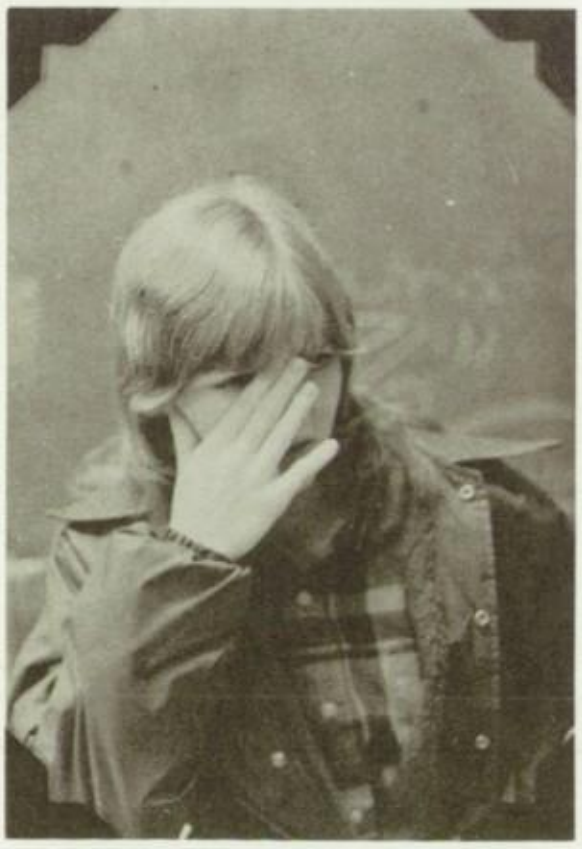
It was the
age of
wisdom.



It was the epoch of belief.
It was the epoch of incredulity.

It was the season of light and darkness.

It was the spring of Hope.



It was the spring of Despair.

WE HAD EVERYTHING BEFORE US . . .

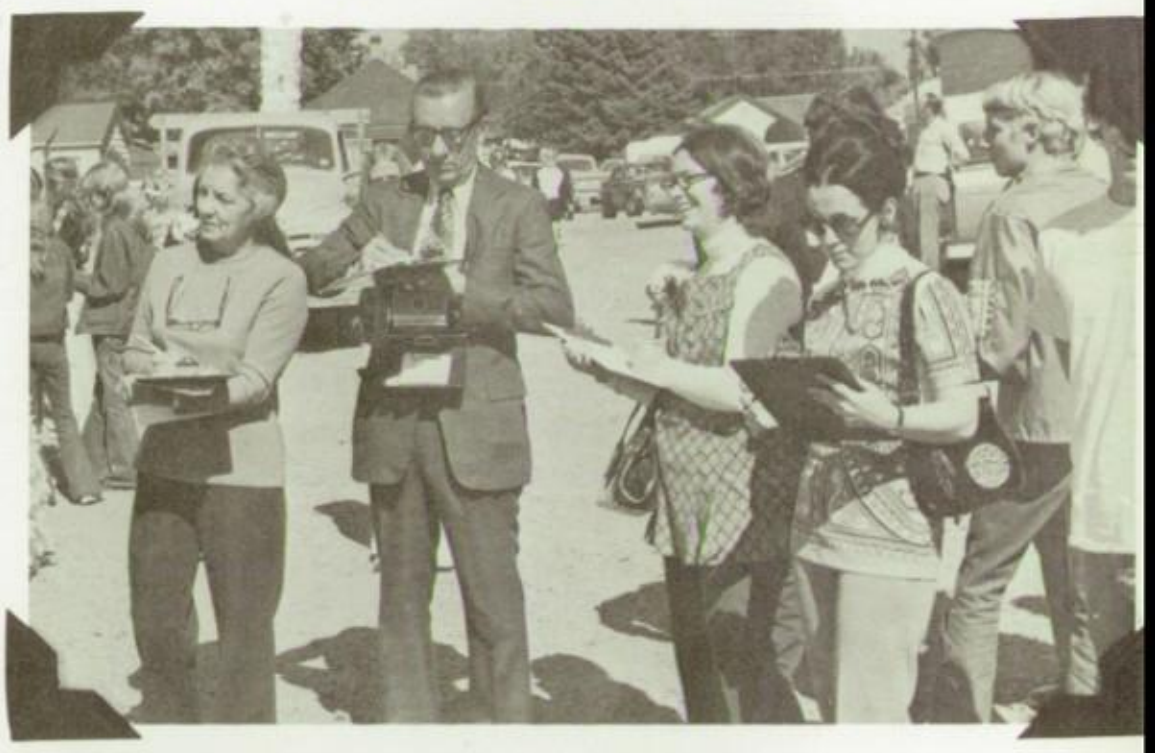
Palisade Colo June '04

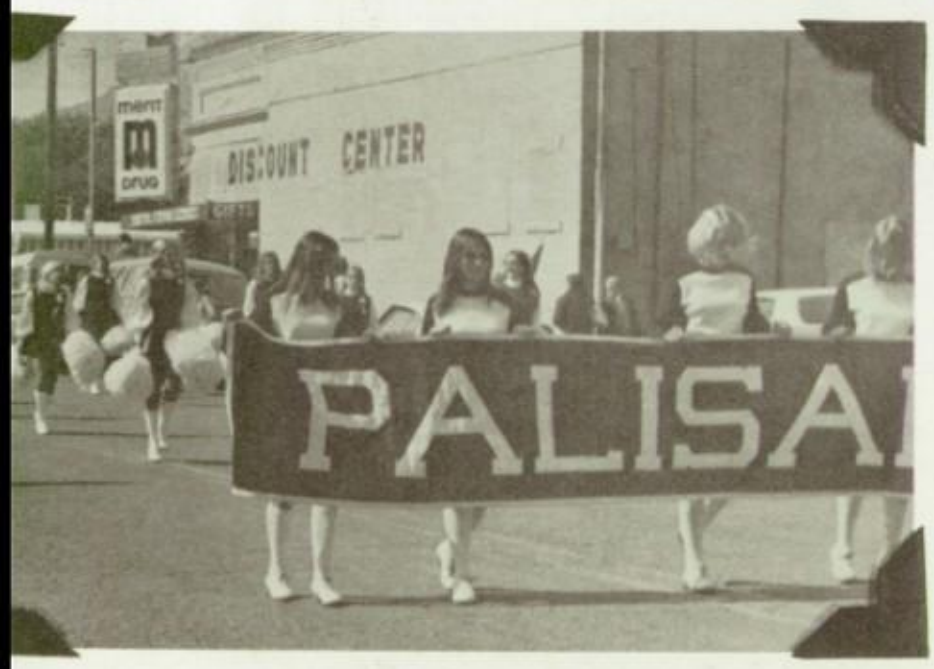
Throughout the years, Palisade High School has accomplished many things. These feats, however, could not have been completed had it not been for the efforts of the community. Without the help of Palisade and the people in it, the school could not function as it does.

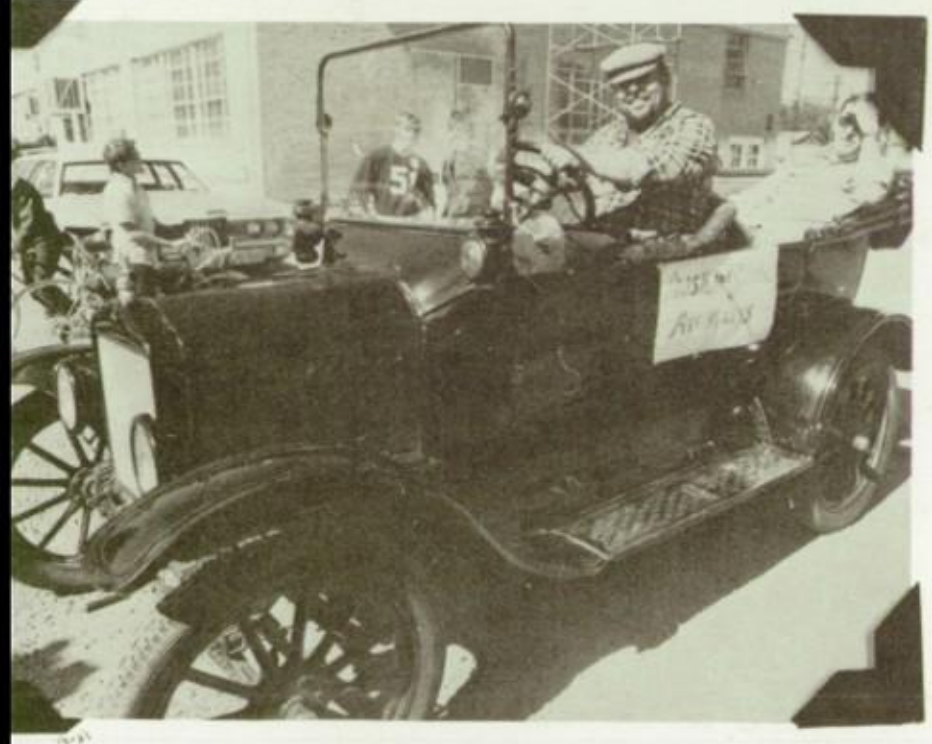
Whenever we need help for class or club projects, the merchants and the citizens are always willing to pitch in and help. For these many acts of kindness, we of the 1974 Bulldog Staff would like to dedicate our annual to "Our Town"--Palisade, Colorado.

FALL

HOMECOMING PARADE







Catch me in the sunlight

Catch me pacing past the trees

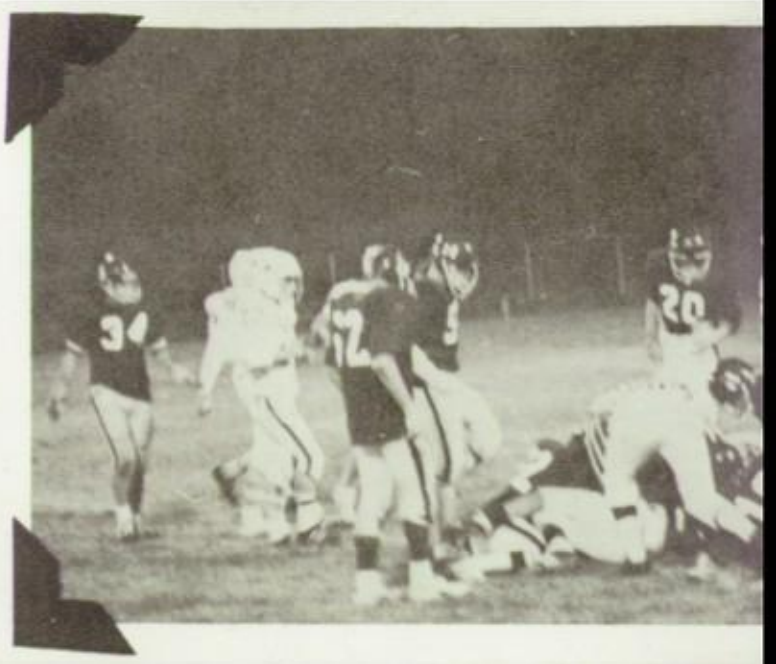
Build a fence around me

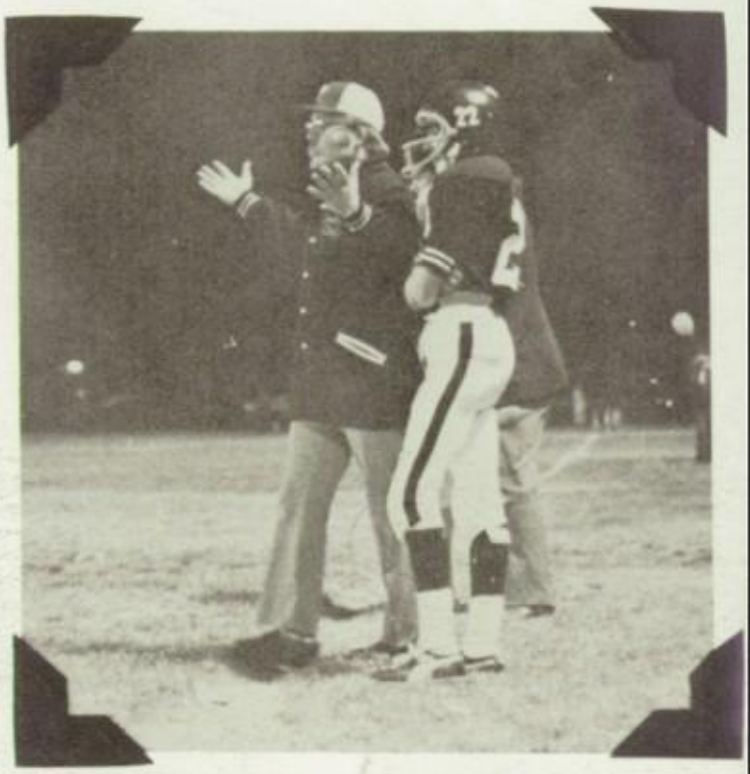
the moment that you see me running

I'm so elusive sometimes

I miss the things worth stopping for.

McKuen

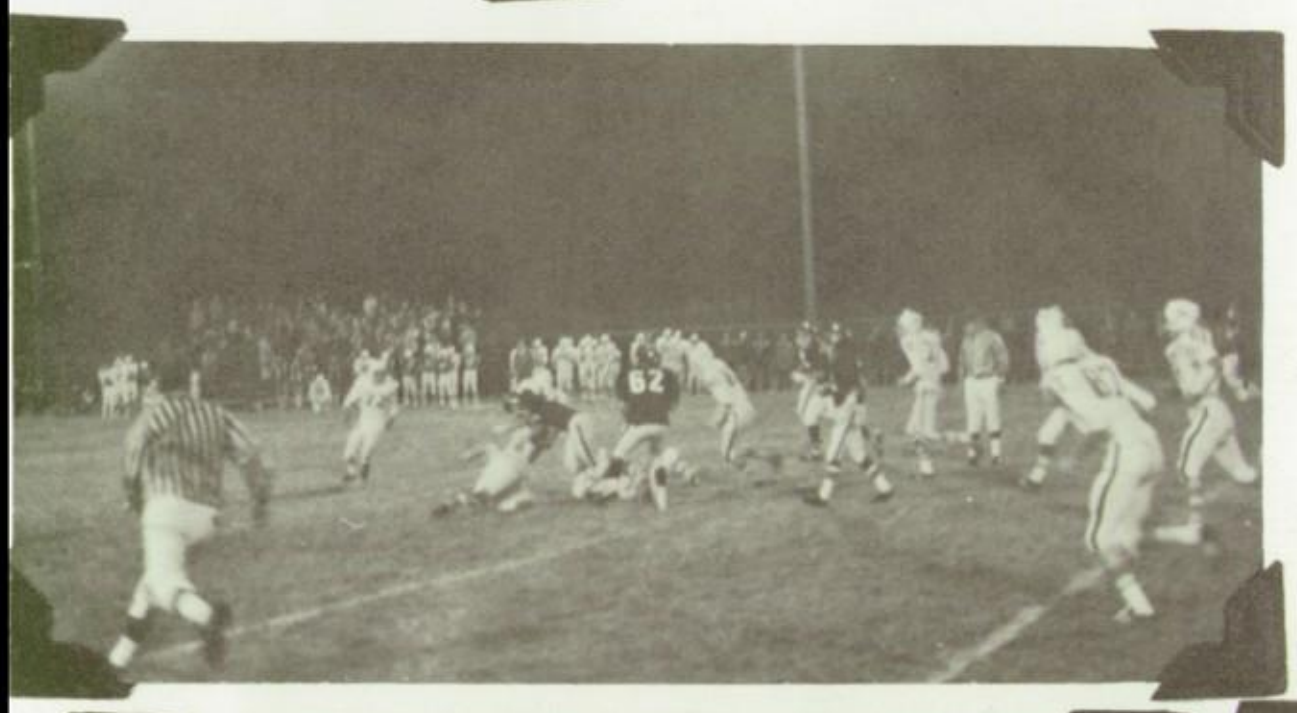




So, challenge the world now

To wait is not wise nor good.

BULLDOG VICTORY



A dead man cannot help the world

Only his experience could.

For seventeen years Palisade has been honored to have Wilbur Steffen as our custodian. This year, however, is the last before his retirement. So we wanted to express our thanks to him in words in the 1974 Annual.

His retirement will leave us sad, but we know that we will see him many times in the future when he visits our school. We hope only the best for him; and we hope he will remember us as we will remember him.

"Jonathan Livingston Seagull"

When tomorrow comes, yesterday's tomorrow will have been already spent, and another morrow will be eating away our years, each just beyond our grasp.

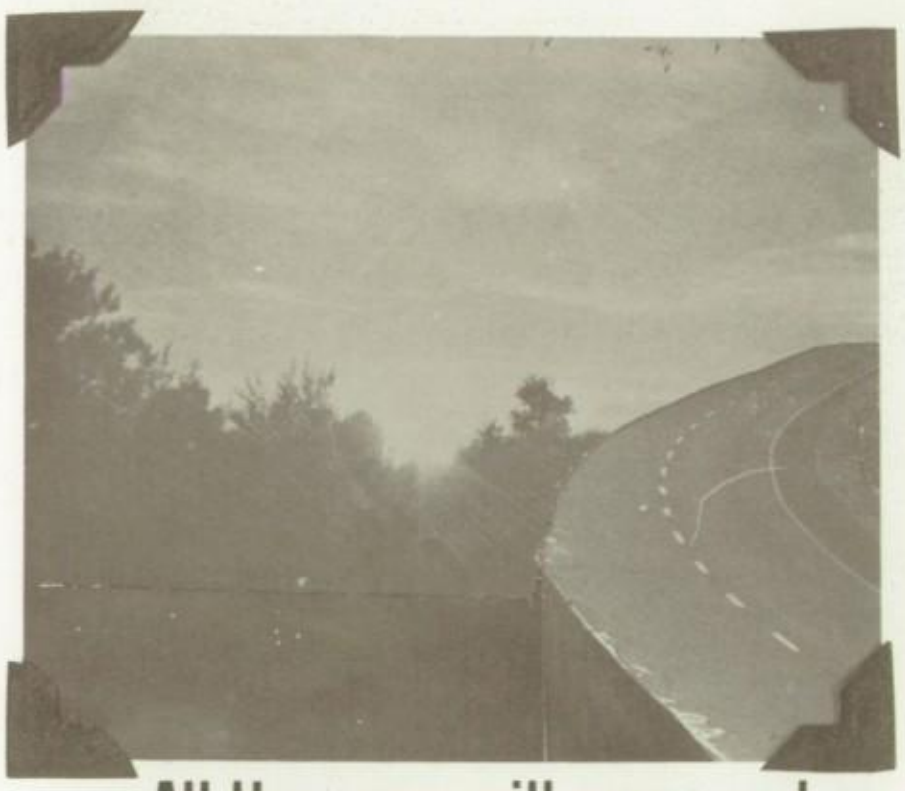
Life—so they say
Is but a game and
We let it slip away.

Love—like the autumn sun
Should be dying
But it's only just begun.

Like the twilight in the
road up ahead, they don't
see just where they're going.



All the
Secrets in
The Universe
Whisper in
our ears and

All the years will come and go
and take us up, always up.

WE WILL NEVER PASS THIS WAY AGAIN

Dreams—so they say
are for fools

and they
let them
drift away.

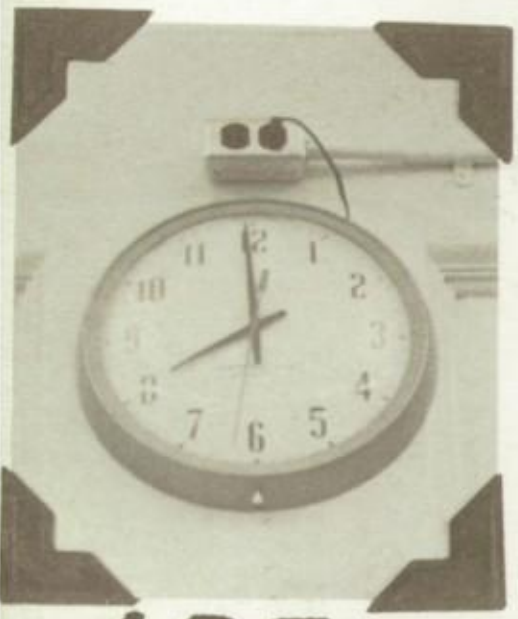
Peace—like the silent dove
Should be flying
but it's only just begun.

Like Columbus in the
olden days
We must gather all
our courage.

Sail our ships out on the open sea.
Cast away our fears and take us up.

We wanna cry
if it makes it
worthwhile.

So we wanna laugh
while the laughing
is easy.



1974

WE WILL
NEVER
PASS THIS
WAY AGAIN.

That's why we want
it with you. 'Cause
you make us feel
more than friends.

Like we're the
journey and
you're the
journey's end.
WE WILL
NEVER PASS
THIS WAY
AGAIN . . .
